

VENDOR 10: HIGHER GROUNDS

Higher Grounds Trading Company is located in Traverse City, Michigan. Their beans are produced by coffee cooperatives that are both Fair Trade Organizations and Certified Organic. These cooperatives also grow their organic coffee under a canopy of shade which helps prevent the loss of priceless habitat. By supporting these cooperatives, Higher Grounds is helping to create a just, equitable, and fair world for indigenous people. At Higher Grounds, they also believe every business has a responsibility to the sustainability of our planet.
