

BFC Meeting Minutes via Zoom

July 14, 2020

The purpose of the meeting was to determine final steps in closing down the co-op. It will be necessary to clean out the closet at the church and dispose of all co-op items and property. Several members have indicated an interest in certain items/property. We agreed that whatever was left over will be offered to the church.

Amy Ray suggested the following dates for closet clean out:

Friday, July 24

Monday, July 27

Friday, August 14

Wednesday, August 19

We would like members to pick up any items they are interested in on the clean out day and it would be extremely helpful if members could stay to help clean the closet. **Please check your calendar and email Amy regarding which of those dates will work for you.**

Dolores Johnson has volunteered to store co-op paperwork and it was suggested that she keep the computer as well since it contains co-op records.

Amy is in the process of making sure all keys are returned to the church.
